Culture (/ ' k ʌ l tʃ ə r /) is the social behavior and norms found in human societies [citation needed]. Culture is considered a central concept in anthropology, encompassing the range of phenomena that are transmitted through social learning in human societies. Cultural universals are found in all human societies; these include expressive forms like art, music, dance, ritual, religion, and ...

Edward B. Tylor's Primitive Culture articulates one of two major theories of culture to emerge around 1870. His theory defines culture in descriptive terms as the "complex whole" that makes up social ideas and institutions, and in this it helped to establish anthropology as a recognized science.

Peter Melville Logan, "On Culture: Edward B. Tylor's ...

Teachers have been sharing with me their experiences as well as student work as they try routines in their classrooms. The very first routines used by quite a few teachers was Compass Points. They used the routine in two ways: one to find out from students what their excitement, worries, needs and suggestions were for the coming year.
