ATA 100 contains the reference to the ATA numbering system which is a common referencing standard for commercial aircraft documentation. This commonality permits greater ease of learning and understanding for pilots, aircraft maintenance technicians, and engineers alike. The standard numbering system was published by the Air Transport Association on June 1, 1956.

Aircraft ATA Chapters List | Aviation Maintenance Jobs and ...

The BBJ often serves as a pathfinder for the latest systems that eventually could find their way onto commercial 737 flight decks. Improved situational awareness is a case in point. Gulfstream, for example, pioneered the use of enhanced vision systems (EVS) with a forward-looking infrared (Flir) camera on large-cabin bizjets.
