### **Comics for Beginners - How to Write & Draw Comics**

Some terms you'll need to know . Book—This is definitely the most vague term in the world of comics; it usually means a single issue of a comic (like Black Widow #7), but some readers will call the entire run of a title (every issue in a particular Ghost Rider series, for example) a book. However, just to be honest, people who prefer the latter usage are usually pretty pretentious.
