A style guide or manual of style is a set of standards for the writing, formatting and design of documents. It is often called a style sheet, although that term may have other meanings. These standards can be applied either for general use, or be required usage for an individual publication, a particular organization, or a specific field.

What is the APA Citation Style? The APA citation style (6th Edition) is a parenthetical author-date style, so you need to put the author's last name and the publishing date into parentheses wherever another source is used in the narrative. The APA format consists of in-text citations and a reference list, along with guidelines for formatting the paper itself.
