Professional Essay Writing Help | SuperbPaper.com

The main difference from the standard Moodle multiple choice question type is in the way that grading works. The teacher editing interface is slightly modified as when creating the question, the teacher just indicates which choices are correct. In an all-or-nothing multiple choice question, a respondent can choose one or more answers.

Multiple Choice question type - MoodleDocs

To write a reflection paper, start with an introduction where you state any expectations you had for the reading, lesson, or experience you're reflecting on. At the end of your intro, include a thesis statement that explains how your views have changed.
