Here is some fun before the test! Really, the World's Hardest test. Few people will ever pass it without cheating on your first try. All it is common sense and many questions involve mostly logic. However, there is a wide array of knowledge-based questions (that could possibly be figured out by common sense and process of elimination).

Do the pyramid lapbook/worker piece on page 4. (All of the lapbook pieces are in the lapbook materials you printed out on Day 2.) (answer: You can see that the different pyramids put several groups together such as soldiers and farmers where as the lapbook piece asks you to put one on each line. You can make up your own specific order or group them on the pyramid).

King Arthur was a legendary British leader who, according to medieval histories and romances, led the defence of Britain against Saxon invaders in the late 5th and early 6th centuries. The details of Arthur's story are mainly composed of folklore and literary invention, and his historical existence is debated and disputed by modern historians. The sparse historical background of Arthur is ...

King Arthur - Wikipedia

Programmed learning (or programmed instruction) is a research-based system which helps learners work successfully. The method is guided by research done by a variety of applied psychologists and educators.. The learning material is in a kind of textbook or teaching machine or computer. The medium presents the material in a logical and tested sequence. The text is in small steps or larger chunks.

Programmed learning - Wikipedia

I came across MooT at a camp called "Alpine Lakes High Camp." We had played through a handful of games people had brought and shared, and were just rummaging through the house's games, when we saw the box for your game.

Sample MooT game questions

When Brandon was told that he correctly answered 80 percent of the items on a math achievement test, he asked how his performance compared with that of the average test-taker. Brandon's concern was directly related to the issue of
