The idea for a portal with 3D content and the name "3D-Sphere " came at the end of 2009. The main idea was to create a portal with 3D tutorials and content which would inform the users about the news in the 3D world, give them an opportunity to learn from our tutorials and give them a place where they can search for help and discuss about 3D and 2D graphic software such as 3ds max and Photoshop.
