team, the size and composition of which varies from institution to institution. In order to perform effectively, one team member should assume the role of team leader.

9th Edition Compendium for Update FINAL

From what they tell me, this latest edition of tests had an usually high failure rate on the written test, implying a poorly written or invalid test. I have heard that the ACS has allowed for alternative answers at the testing center's discretion because so many questions were felt to be vague or had several possible correct answers.
