As we began discussing Double-Entry Journals in class today, I explained that Double-Entry Journals are another form of Analytical Writing which we have written over the past semester. I reminded students that when they write, they need to appear as the expert in the field - in this case, the novel, *Tangerine*. Therefore, that is why they should avoid, "I think..." "I believe.."

As seventh graders get ready to transition into their turbulent teenage years, it's incredibly important for teachers to do everything they can to keep their students focused and grounded. Seventh grade is a very stressful year for many students—they may feel a newfound sense of maturity and pride, but they also will likely feel the burdens of new expectations and greater responsibilities.
