Basic Marketing Research Malhotra Six

The marketing research process is a six-step process involving the definition of the problem being studied upon, determining what approach to take, formulation of research design, field work entailed, data preparation and analysis, and the generation of reports, how to present these reports, and overall, how the task can be accomplished.

Marketing research process - Wikipedia

The marketing mix (also known as the 4 Ps) is a foundation model. The marketing mix has been defined as the "set of marketing tools that the firm uses to pursue its marketing objectives in the target market". Thus the marketing mix refers to four broad levels of marketing decision, namely: product, price, promotion, and place. Marketing practice has been occurring for millennia, but marketing ...
