### **Art Of Being Human 10th**

The Art of Being Human: The Humanities as a Technique for Living introduces students to the joys of the humanities — those disciplines that reflect the best efforts of human culture through the ages and around the globe. Authors Richard Janaro and Thelma Altshuler's topical, thematic approach empowers students to think critically about key artforms and themes individually, and to draw significant connections among them.

The Art of Being Human Ch. 2. A movement begun in the early Renaissance that extolled and studied the creative and intellectual legacies of Greece and Rome, leading to the conviction that only through such study could one become fully human; a term that is now to include the study of contributions from all cultures.
