God and the state are not always on the same page when it comes to your children's education. Sampson looks at their differences and explains how to teach and evaluate your kids from a biblical perspective using the 'Heart of Wisdom' approach---a strategy of reading the Bible while incorporating all academic subjects. This edition of Sampson's bestseller includes new evaluation checklists. 296 ...

In humans, the respiratory tract is the part of the anatomy of the respiratory system involved with the process of respiration. Air is breathed in through the nose or the mouth. In the nasal cavity, a layer of mucous membrane acts as a filter and traps pollutants and other harmful substances found in the air. Next, air moves into the pharynx, a passage that contains the intersection between ...
