The first round is written in March. The junior division consists of separate papers for grades 8 and 9 and the senior division of one paper for grades 10 to 12. Each paper consists of 20 questions with multiple-choice answers and learners have one hour to complete the paper. Each school is provided with the solutions. For this round, the teachers mark the papers.

SAMF. SA Maths Olympiad

In the past two years the Mathematics exams have moved towards a level that seems to focus on integration and complexity, however this paper seemed to find its centre closer towards mildly complex with little integration which was most likely a pleasant surprise for learners who had worked through past papers.
