Whether you are majoring in chemistry or not, the ACS exam may have you cowering in fear. Learn how to use a variety of resources to master everything you need to know ...

**Preparing for the American Chemical Society General ...**

To be honest, the act of putting together the study guide was probably a lot more helpful than simply going through it. I took the final in 2013 so my memory of the exam is fading at this point. But I was relieved at how few questions dealt with symmetry, and there were a few "gimmies" from introductory material.

My roommate is taking her ACS Biochemistry exam in a few days. She has no idea what she should study or what she should look for to help her study. She has googled everything she can think of and either you have to pay for an online study guide or there is nothing available. Does anyone have any ideas that can help her out? She would really appreciate it.

**ACS Biochemistry Exam? | Yahoo Answers**

This test is designed to be taken with an answer sheet on which the student records his or her responses. All answers are to be marked on that sheet, not written in the booklet. Each student should be provided with an answer sheet and scratch paper, both of which must be turned in with the test booklet at the end of the examination.
