That's the case with Apple's iPod touch. While the iPod touch does come with a few slight pages of documentation, you don't get a robust user manual in the box. Apple offers iPod touch manuals at its website for every version of the iOS that the touch can run, as well as some additional information.

These operating system manuals are marked alongside the iPad model with which they debuted, however, you should use the manual that corresponds to the version of iOS you use rather than your iPad model. Most iPad users are now on iOS 9, so if you are unsure of your version, download the iOS 9 manual.
