Ninth grade, freshman year, or grade 9 is the ninth post-kindergarten year of school education in some school systems. Ninth grade is often the first school year of high school in the United States, or the last year of middle/junior high school. In some countries Grade 9 is the second year of high school. Students are usually 14–15 years old.

I am going through a Letter of the Week study with my Four and Two. Along with reading books, doing crafts, and forming letters, we do a lot of letter-themed math. I was having trouble finding things for letter L — until I decided to do all ladybugs! Since their big sister is just finishing kindergarten, we did loads of ladybug math appropriate for preschool, kindergarten, and first grade.
