Advanced Accounting Jeter Chaney 5th

Jack, an instructor at Columbia Business School, taught his online entrepreneurship course asynchronously through his institution LMS. He was interested in incorporating a Wiley business text into his course, but wanted to deliver this Wiley content seamlessly with his own reading materials and video content.

I review empirical research on the relation between capital markets and financial statements. The principal sources of demand for capital markets research in accounting are fundamental analysis and valuation, tests of market efficiency, and the role of accounting numbers in contracts and the political process.

Capital markets research in accounting - ScienceDirect

The profession's perceptions of risk began to change dramatically with the release of the 1992 report Internal Control – Integrated Framework by the Committee of Sponsoring Organizations (COSO). Here, for the first time, auditors and accountants were presented with a view of risk and internal control that reflected something other than accounting errors. 10 Similar initiatives later came ...
