But you don't have to make your release notes a work of art to take advantage of a great engagement opportunity. Just write better release notes. The hidden value of great release notes. Release notes aren't necessarily read by everyone, but the people who do read them matter.

How To Write Great Release Notes | ProdPad

I confess, I'm a release notes reader, and I've read some overwrought release notes lately. When you use them like an installation guide, a features list, or a list of software conflicts, you've got it wrong. The purpose of release notes is simple: Release notes explain what changed with this version of your software. Period.
